「美女と野獣が濡けむり事件」

yeah  
...

calm  
down,  
Akira

...

these  
animals  
being here  
doesn't mean  
that they're  
here to  
harm me

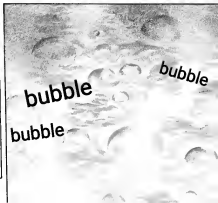

they're  
just here  
to enjoy  
these  
natural  
baths

sen  
sei

....  
so-  
rry

even-  
though  
you  
saved  
me

Ke-  
miko-  
san

I won't  
be able  
to take  
it as a  
human

but really  
being  
used as  
some  
amuse-  
ment for  
these  
things

thud thud thud thud thud

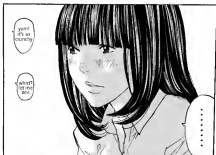

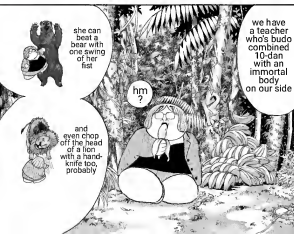

that was dangerous, Kamiya-san

thump

huh!  
what in the  
world is  
happening

d...  
dang!  
stuff like  
lions  
actually  
came  
out!

trip trip trip trip trip trip trip trip trip trip

crack

!!

this  
way

run

spears  
against  
war  
vehicles  
?

damn...  
get a  
spear!

I guess  
you're the  
type of a  
person who's  
calm in any  
kind of  
situation

hey  
everyone!  
sensei  
isn't  
affected  
by all this  
at all!

we  
well  
...

WA  
AA  
AH  
—  
!!

what're  
you guys  
doin' in  
a place  
like this?

where  
is this  
...?

ehh...  
umm...

pshhh  
pshhh

rumble  
rumble  
rumble

**KRIIK  
KRIIK  
KRIIK**

...

crack

it was  
left alone  
whole  
with the  
animals  
after  
shut down

as you  
can see  
it's an alley  
of the  
safari park  
of something-  
sector-  
something

text on sign: safaripark

so them  
people decided  
to make it into  
a resort called  
Hawaiian Spa  
or somethin

even though  
this is a  
northern  
country  
it's really warm  
because of  
the hot  
springs

Sigh—

we. well,  
thank good-  
ness nothing  
happened  
in the end  
....?

the beauty,  
the beast,  
and the steam
